PROGRESS

Making it Work for lone parents is a partnership project between Fife Gingerbread, Enable Scotland and Citizens Advice & Rights Fife, offering lone parents individualised support in their journey towards employment. The Service is available to lone parents living in the Cowdenbeath, Lochgelly, Levenmouth and Glenrothes area.

We will work with our lone parents to provide support at a pace that suits them, and tailor an action plan to meet their needs. Our aim is to motivate our lone parents to feel more positive, confident and ready to move forwards.
